Homestead Education Tax Rate Calculation

Fiscal Year 2010

The Homestead Education Tax Rate is based in part on the education spending per equalized pupil of all the pupils residing in your town. Many town districts are also members of union school districts. Each town and union school district will have a tax rate based on its spending per pupil. For towns with multiple school districts, the tax rate is a combination of those rates as shown below.

Base homestead tax rate	\$0.86	
Base spending amount	\$8,544	
Excess spending threshold	\$13,984	
Average statewide education spending per equalized pupil	\$12,041	
Common level of appraisal for Newport Town	106.49%	Actual Homestead Tax Rate
